

Performance of the institution in one area distinctive to its vision, priority and thrust

Vision

1. Providing girls students with appropriate academic and moral education that would enable them to encounter successfully the challenges of the modern millennium.
2. Making students self confident and economically self reliant by exposing them to the problems of present socioeconomic environment.
3. Inculcating in students the values of gender equality and the scientific attitude that would help them to mould the future generation of the society.

Priority

1. To empower our girls from rural area and minority community in life skills.
2. To build their confidence to face the global challenges.
3. To inculcate human values in their personality, so they can change into a responsible citizen.

Thrust

We maintain domestic atmosphere in our college, so our students feel free to communicate any problem to their teachers. We provide curricular related knowledge through expert's speeches. Similarly we arrange some programmes for their extracurricular development. We encourage them to achieve life skills through various courses. At the same time we conduct some courses which inspire them towards universal values such as sisterhood, humanity, sincerity, etc.
