**PERSPECTIVE PLAN**

(For The Academic Year 2018-19 to 2022-23)

**INTRODUCTION**

A proactive role by the IQAC of an institution is crucial in maintaining the momentum of quality consciousness. NAAC and UGC assign the responsibility to the IQAC for planning, guiding and monitoring Quality Assurance and Quality Enhancement activities of the institution. With this background, the College IQAC has undertaken the task of designing a Perspective Plan for the period of five years commencing from academic year 2018-19 to academic year 2022-23 for a balanced growth. The quality indicators of different criteria determined by NAAC have been taken into consideration as the base to create Quality Radars and to make out milestones for the future.

In the preparation of the Perspective Plan, the Internal Quality Assurance Cell (IQAC) of the college has taken initiatives to obtain Inputs from all stakeholders viz, the management, Principal, the faculty, the administrative staff, students, alumni of the college, the parents and the peer colleagues. Stakeholders' expectations, management policies, goals and objectives and the vision and the mission statement of our college and quality policy of the college are also considered as a base for formulation of the perspective plan.

The present Perspective Plan principally based on –

- i. The NAAC guidelines for ensuring quality aspects in the higher education
- ii. Vision and mission statement of the college
- iii. Quality policy of the college
- iv. Inputs from stakeholders
- v. Societal expectations from the college
- vi. SWOT analysis done by IQAC in 2017.

The prime role of IQAC is to suggest quality measures for the betterment of an institution. While preparing a road map for future growth, the members of the IQAC have considered feedback from all the stakeholders and the recommendations specified in the meetings of the IQAC. Besides, innovative ideas, as suggested by all the stakeholders, have also been carefully incorporated in perspective plan. Student feedback mechanism, self-appraisal and faculty training programmes are arranged by the college as well as attended by teachers, introduction of research committee to proactively encourage teachers for research are some of the measures initiated with priority. The draft of Perspective Plan has to be discussed, reviewed and approved in the meeting of College Development Committee (CDC) of the college, before implementation.
