Policy of Financial Assistance to Teachers

The institute always encourages the faculty members to participate in research training programs such as seminars, conferences, workshops, Faculty Development Program, Orientation Courses, refresher course etc.

Objectives:

- To encourage teachers to actively participate in research programs
- To provide financial assistance to the teachers for their career advancement
- To support teachers to enhance their academic growth
- To provide teachers an opportunity to enrich their knowledge of emerging trends in their respective fields

Policy:

- The college provides financial support to all the full time teachers for registration, research paper publication, and membership of professional bodies.
- Financial support is given to the teachers to attend seminars, conferences, workshops, FDP, Orientation Courses, refresher course, revised syllabus training program etc.
- The teacher applying for financial assistance submits an application to the Principal.
- The teacher has to attach brochure of the program, copy of certificate of participation or attendance certificate with the application.
- Every teacher is eligible to get the financial assistance once in a year.
- Maximum Rs.5000 is provided to the teacher at a time.
- The Principal approves such proposal of financial assistance.
