Security of the students in the campus	29.03	64.51	6.45	0
How do you rate the learning experience terms of their relevance to the real-life application?	25.80	74.19	0	0

Suggestions:

1. Pure drinking water facility should be provided.
2. Basic English courses should be started.

Regarding alumni feedback, four-point Likert type scale was used to measure the responses from excellent to satisfactory. A few Alumni were selected for feedback through random selection method. The percentage was calculated by analyzing the reactions to each point and the information of the suggested matters was sent to the authority for further action.
